[Swizz Beatz]

Ladies and Gentleman

you know they mad cause cause I'm hood rich

you never ever ever seen a n*gga good trick

You want a problem,

start it up (vroom vroom)

start it up (vroom vroom)

start it up (vroom vroom)

wait a minute

[Lloyd Banks]

big blue, cotton city shoe

cotton candy coupe

hard knock off an Annie loop

off the scoop

play with me, see what the screamy do

my canary shoe,

high beams pointed right at you, peek-a-boo

Benji paper meet me, here the proof

all your family do's

'nage a trois, purple haze and goose, got me loose

kick my way in and now I got the juice, Gucci bubble

boots

thousand kicks couple hundred boots gettin f*ckin' loot

my top down, I'm flashing on em

I'm passing all them, pullover and hit the hazards on

em

the ratchet's on em pay ma dues, now it's back to ballin

the raps a boring dead man, I did the casket for em

I'm back performing, I bag em

break their back, don't call em

look down on em like Dikembe, Patrick Morning

cash is pourin'

stunt stormin, got these b*tches sunk.

camera phones capture everything that pictures dont.

[Swizz Beatz]

you know they mad cause cause cause I'm hood rich
you aint never ever ever seen a n*gga good trick
You want a problem,
start it up (vroom vroom)
start it up (vroom vroom)
start it up (vroom vroom)
wait a minute
(repeated)

[Kanye West]

We keep these G's in an alloy safe
and stash the weed in an altoids case
they say good things come to those who wait
so Imma be at least about an hour late
I'm so fresh I should be arrested
new Tody Chester with my nuts on your chest b-tch
she said "hey 'Ye"
I said "Yes B-tch"
damn I'm only asking you a question
I met this milf at the allstar getting action
a cougar with more rings than Phil Jackson

told her beauty is why God invented eyeballs
and her booty is why God invented my balls
I'm a rockstar, huh, start it up
start it up, huh, start it up
so popular you should get a shot of us
don't take shots at us that is only obvious
the first album I vomited, the second I colonic'd it
aint nobody f-cking with me, I plutonic'd it
bet I got some slippers on, bet go honour it
these aint even real clothes homie I'm pyjama rich
Banks told me homie go switch the style up
these b-tches on me homie only to arouse us
told her I aint paying tonite I'm only browsing
she pulled her blouse up, said "it's free", I said
WOWZER!

[Chorus]

[Swizz beatz]

Ninja, Kawasaki, Ducati, my old Harley
rock the party
move ya body
wassup, wassup
everybody
start it up (vroom, vroom)
start it up (vroom, vroom)
start it up (vroom, vroom)

start it up (vroom, vroom)
start it up (vroom, vroom)
wait a minute

[Ryan Leslie]

Lets get it started, get it started, get it started yeah yeh

Ladies and gentleman

[Fabolous]

Plenty hate, they be taking shots, never penetrate
money generated, if we aint in the house, renovate!
tryna eat, we aint finna wait
where's da dinner plates?
BMW, ten to 8, interstate 95, passenger
baddest b-tch in the states, half Spanish half trinidad
complexion Henny state
y'all aint got your business straight, track star, finna
skate
time is money and I can't afford to be a minute late
it's time to make a movie let the haters watch
diamonds spinning round the bezel thats tornado
watch
my independent chick, I like my ladies Koch
she got an appetite for dick, I guess I place my crotch
that soft as tater tot, lil' n*ggaz try me not
under the wing, fried rice at the chinese spot
I hear 'em talking but they aint really living it
Opinions are like assholes so who gives a sh-t

[Chorus]
