Nigga take a good look at this
Princess cuts on my neck and my wrist
Them other niggaz can't do it like this
I love my niggaz I don't love no bitch
I get tha pussy everywhere I go
And every nigga around me got dough
Give me a box of cigars and hydro
G-UNIT-CLICK-YOU-KNOW!!

Ima show you niggaz how to leave an impression my
flow is amazin'
Male chauvanist; I belong with the cavemen
See most niggaz round' here go in the pavement
That's why I smoke so much I don't know where today
went
They fascinated by the way my show on the stage went
Bitch I'm a perfect way to blow an engagement
To stop me, you gotta put teams and bounties on me
My money long, I need machines to count it for me
I'm glad they want us dead
But keep runnin' ya mouth and go home with more
slices than a bag of Wonderbread
I'm America's nightmare: Young, black, and chipped up
Plannin' to put more than one plat-num hit up
Standin around where the bums at and gripped up
Layin in tha town where they pump crack and crippled
up
See everybody knows you stole that tone
Sold a bunch a' records now you scared to go back
home (OOHH!!)

Chorus 1x

You know tha kid stay with his Nike's new, the
throwback is light blue
Came out around the time my grandmother graduated
high school
Most these rap niggaz softer than Ja Rule
And they've been in and out as many walkmans as I do
Take time, to figure out who's walkin' beside you
Cause this sonic can feel like a fork when inside you
You mad, cause ya bitch like us

And all of my records get thumbs up, like I'm ridin' by
hitchikers
Stumblin' out the G4, cause that's how tha stars land
Shit I prolly been through more trees than Tarzan
On tha road, tha hoes take a look at tha cars and
It's back tha hotel: titties and bras man
Tha new "STRAP DON"
You might call me ignorant, but if you cow you belong
in tha Phat Farm
When tha lights get bigger I act calm
Prolly cause I'm a light skinned nigga with black arms
(FUCKA!!)

Chorus 1x
