Yea see this right here it so real

I see everything clear

Verse 1

They probably cut from the same cloth

If he ain't soft

You know the name boss

I'm high as a cocaine cost

so can't watch pain off

see fate is a mothafucka brotha you can't change yours

He won't show the money get the chainsaw

Keep cuttin shit off til' he talk

I'm one of the boss of New York

The voice of the people till i walk

We all know life's a bitch and yet i thought

It will get a little better from the hell i caught

I lost a few screws you can tell i'm short

Went from shit,property,and L i brought

Shoot dice like a sport and stunt like my time ticket

Pour my liquor for my homicide victim

If my nigga ride i'm ride wit him

Blood,sweat, and tears that will fly out of my system

Live long is the message right

Moreover in the hood if 21 you startin yo 2nd life

Life more than a neck of ice

but for a deck of price but damn sure look nice (you look good)

I always have a ethic of a winner

I'll work to it hurt then i murk on spinner

I'll gobble these rap niggas for dinner

Bring your girlfriend around me i'm gonna to hit her

Chrous

It Time to Chill and question what's real

Reality seems a drift

That why they walk around like this

Now it's 2006 more cribs and more whips

If hate me get off my dick

Everybody got to box that fists thats it.

Verse 2

Easy death and hard times

It's tough to explain i'll figure i just rhyme

It's all fine and fuck up at the same

I feel that they dealt me a card that ain't mine

Man fuck that somebody gotta a shuffle
I'm thirsty sort of slave off the buckle
My attitude i don't really care
Baltimore Born but i'm good everywhere
My nigga had nothin but dreams
But the block got him before he turned 13
Somebody lean every baby first scream
I recall i see you know what i mean
Chrous
