Intro:]

[Olivia:] I make it hot...

[50 Cent:] G-Unit!

[Olivia:] I make it hot

[50 Cent:]Olivia, let's go

[Lloyd Banks:]

What's up ladies, I'm back baby

The boy wonder got the club goin' crazy

I'm two-steppin' in my armor in my 80

But I ain't in the VIP unless they pay me

It's like I practice stuntin', ma I have ya mattress jumpin'

And I know it sounds like I'm frontin', but I ain't

Jerk jerk ya body, and work work 'em proudly, go and
hurt somebody if I don't hit that

If you don't see 'em wit me don't ask bout 50

'cause if he was here he'd be standin' right here

And if you don't care so much about my fame

Then why you keep starin' at my chain? I'm doin' my
thing

From the club to the telly on a late night

Box of Magnums sippin' hen, finna get right

Checkout time ain't til daylight

From the club to the telly on a late night

[Olivia:]

Ooh babe you know I like it when you feel on me

Pullin on my waist I'm feelin energy

Gettin' kinda hard to keep ya hands off me (yeah right
there)

So slide a little lower put ya hands on my thigh

Maybe I know you like it if that right

I'ma show you how to make it last all night

Now let me see you shake it up

Twist it, shake it, bend but don't break it

Work that body gettin' so crazy

Don't hurt nobody up in this party

Twist it, shake it, bend but don't break it

Twist it, shake it, bend but don't break it

Work that body gettin' butt naked

Don't hurt nobody up in this party

Twist it, shake it, bend but don't break it

Mix a little hypno with some hennessey
Like the way this jig goes when it goes through me
Think I need to stop because I'm feelin' tipsy (one more
drink)
Baby now I can't stop 'cause I'm in the zone
Shorty keep it comin' boy I'm grown
I don't wanna finish this dance alone
Ooh I wanna see ya
Twist it, shake it, bend but don't break it
Work that body gettin' so crazy
Don't hurt nobody up in this party
Twist it, shake it, bend but don't break it
Twist it, shake it, bend but don't break it
Work that body gettin' butt naked
Don't hurt nobody up in this party
Twist it, shake it, bend but don't break it
Go, go, go, down low, shake it fast for me
Work your body, don't hurt nobody, up in this party
Now let me see ya go, go, go, down low, shake it fast
for me
Work your body, don't hurt nobody, up in this party
Now let me see ya
Twist it, shake it, bend but don't break it (ohh)
Work that body gettin' so crazy
Don't hurt nobody up in this party
Twist it, shake it, bend but don't break it (And let me
see you shake it)
Twist it, shake it, bend but don't break it (Ohh)
Work that body gettin' butt naked (oh yea)
Don't hurt nobody up in this party
Twist it, shake it, bend but don't break it (Twist it, baby
gettin' crazy, Ooo Ohh)
Twist it, shake it, bend but don't break it (ohh)
Work that body gettin' so crazy
Don't hurt nobody up in this party
Twist it, shake it, bend but don't break it (And let me
see you shake it)
Twist it, shake it, bend but don't break it (Ohh)
Work that body gettin' butt naked (oh yea)
Don't hurt nobody up in this party
Twist it, shake it, bend but don't break it (Twist it, baby
gettin' crazy, Ooo Ohh)
