If you a g this for you  
Cause thats a mind if i see then i pursue  
Take a look at where i come from  
You'll see what i been through  
Snake niggas get beheaded  
Guillotine em out the crew  
Funny thing is without you  
I wouldnt have a crew  
And what to do  
When ran into  
A lady such as ya self  
That lady has an agenda  
But lady has some character  
My lady heart bigger  
I love my glock  
Married her, Carried her  
Through my daily  
They mad  
They cant compare me  
Think i wont hit ya ?  
You'll be smoke clipped  
Ya hear me  
Not really  
Shout to all da haters  
Cause thats all they really want  
Attention from money makers  
?  
And funny neighbords  
And VVS lasers  
Pool partys  
Bitches in bikinis doin favors  
And negative niggas raised us  
And gave us da game  
Playin everything carefully  
Prepared to be da main
