Mamma I guess I just found my match
I'd line here in the dark I had a face
gone station coming alive ...
I am not afraid to die
Born 1961 just like you, while a hundred fifty nine
thousand metre...
Coming to the left on me, flying to my rights, these
was the best of times
It was my... to find the age
Next to me the ...
That old man come and say
Welcome to my funeral...you wouldn't guess me
These was the best of times
Ooh handsome my lover where will you goes fall now
Come back ...is where I fall will you cry?
....
These was the best times
....
With the promise of better times
