You just saved my life
Now this may not be what you had in mind
Would you love me to death my dear
Oh no no she said better alive than dead
When are you gonna come home
(when are you gonna come home)
Are you waiting for the end of the world
(when are you gonna come home)
When are you gonna come home
And be loved by the ones you love
It's a senseless thing desire
To be loved by everyone
It's a senseless thing desire
To be loved by everyone
When are you gonna come home
(when are you gonna come home)
Are you waiting for the end of the world
(when are you gonna come home)
When are you gonna come home
And be loved by the ones you love
Ah ah ah oh
You won't take my money
You don't find my jokes that funny do ya

If I took you to the hollywood bowl
Oh no no she said radio city music hall
Ah ah ah oh
And be loved by the ones you love
Ah ah ah oh
Come on love the ones you love
It's a senseless thing desire
To be loved by everyone
It's a senseless thing desire
To be loved by everyone
(when are you gonna come home)
When are you gonna come home, ah oh
(when are you gonna come home)
When are you gonna come home
(when are you gonna come home)
When are you gonna come home, ah oh
(when are you gonna come home)
When are you gonna come home

And be loved by the ones you love
