"Wild Mushrooms"

You tripped me up
You put mushrooms in my tea
You rolled me, took advantage of me

You tied me up
I see blisters on my wrists
Do I recall you doing the wild thing on me

Do you know what
I think that I liked it
Do you know what
I think I'd like to do it again

You tripped me right up
You put mushrooms in my tea
You rolled me, took advantage of me

You tied me up
I see blisters on my wrists
Do I recall you doing the wild thing on me

Do you know what
I think that I liked it
Do you know what
I think I'd like to do it again
