It's a major move right here, baby  
Gotta get wit it or get lost  
Ya understand? Yeah  
It's Young Lloyd reporting live from Atlanta, Georgia

Decatur where it's great  
And I want all my sexy ladies  
To report to the dance floor immediately  
We gon' go and glide dis one y'all, speak Weezy,  
gyeah

Right off the back am I the boy got dollars  
So women come frequent like flight mileage  
It ain't no secret I, I might holla  
But I ain't gon' sweat ya, baby, I'ma let ya

Catch up wit ya game, run faster  
Don't let 'em lose ya 'cause I ain't gon' bless ya  
Unless ya feel a lil' desperate  
Send a \*\*\* a text message, girl

Stop, wait a minute  
The way you move dat girl you done got my heart all in  
it  
And I just wanna be with you tonight

Girl please, I'ma playa, yeah, it's true  
But I'll change da game for you  
I wanna see what it do, can I be for real?

Dis is how I feel, I'm in need of love  
So let's dip up out of here  
Ooh, you just my type

Everything's so right and I just wanna chill  
So let's dip up out of here  
Let's dip up out of here

She's fine too but I want you  
She's fine too but I want you

I'll admit it, dis just ain't no game

These just ain't words dat I'm spittin'  
If you could see the thoughts dat's in my head

I'm trippin', I'ma playa, yeah, it's true  
But I'll change da game for you  
Wanna see what it do, ooh

Can I be your friend?  
Dis is how I feel  
I'm in need of love  
So let's dip up out of here

Ooh, you just my type  
Everything's so right  
And I just wanna chill  
So let's dip up out of here  
Dip up out of here

She's fine too but I want you  
She's fine too but I want you

Weezy F, baby, da key to da ladies  
Keys to the safe so please say da, baby  
Weed and Patron even in the AM  
We should be alone, we can get a day in

Ya like what I'm sayin'?  
Den come around the way and  
We can go inside and stay in

Tell da homeboy ya stayin'  
You've been taken, gone  
Turn me on and mama turn him, yeah

You know I love you like cooked food  
You know you \*\*\* wit a good dude  
You know you give good brain  
Like you graduated from a good school  
You know I'ma good move, you should do me

So hey shawty, what it is? Da Carter who it is  
Now shawty, do it big, a party at my crib  
Dat's a party in da hills, you call it what you want  
But she can call it what she feel

Can I be for real?  
Dis is how I feel  
I'm in need of love  
So let's dip up out of here

Ooh, you just my type

Everything's so right  
And I just wanna chill  
So let's dip up out of here  
Dip up out of here

She's fine too but I want you  
She's fine too but I want you

I ain't nuttin' but a down bottom  
\*\*\* ya know what I mean?  
Me and Lil' Lloyd, baby, long hair don't care

Yo, wattup, Ryan, I see you baby, yeah  
It's a major move right here, baby  
I ain't talkin' fast, it's just you listenin' slow, ya know  
what I mean?

You ain't tryna hear me den don't heard me  
I'm up outta here  
I ain't bein' mean but you so mean in dem jeans, know

So what you want me to do?
