Hey baby, come on and carry me home
Hey baby, come on and carry me home
I'm the oobie, doobie daddy
Please don't leave me alone

Hey baby, don't you want a man like me?
Hey baby, don't you want a man like me?
Well, I'm still young
Heavenly twenty three

Hey baby, don't I satisfy?
Hey baby, don't I satisfy?
See I'm a man
I sure don't have to lie

Hey baby, gee, that's killing me
Hey baby, ooh, you're killing me
I'm the oobie, doobie daddy
Giving you this loving free
