Here I sit right in my lonely chair
With love and emotions beyond compare
And no one to call on my telephone
Gee I've never been so all alone

I thought by sitting in my lonely chair
Love would never come and interfere
But now it's raining and my heart beats thin
Can't you see this lonely mood I'm in

[VERSE 3]

Well I don't know if I should kill myself
Or just go and find me somebody else
I thought by now my dear you might be home
Gee I've never be so all alone
And no one to call on my telephone
Why oh why oh why can't you come home

[BRIDGE]

[Repeat VERSE 3]
