ommmm

hey hey ohhhh

oh yeah

ommm

Look!

Ooh miss lady these sexual thoughts keep rushing
through my mind

All i wanna do is touch you

these lustful feelings that i feel are so hard to fight but
i ain't tryin to rush you

even though i'm only in your town for one night, got
enough time to rush through the drill

girl tell me how i feel deep down inside, yeah

Chorus:

cause i'm tryna make you feel, feels so right when ever
your bodies laying next to mine gonna get loose, lest
take it through the roof, cause you know that your truth,
girl your extra fine,(repeat)yeah

girl your lips,your eyes

your hips your thighs is so hypnotizing

this feeling inside of me is suddenly rising

see girl i know, baby girl i know your love you tryna
hold on to, why don't you just let go and loose control,
it's all on you yeah

Chorus:

so shawty just relax your mind, sit back and less
unwind i promise it'll feel real good, just let me
massage your spine, cause baby there's no need to
rush you ain't got no where to go take your time, and
you'll see that by the end of our escapade i'll make you
mine

Chorus:
