Forget about ya man
Cause he can't do you like I do
Try act outta plan
My special way to make you lose it
And I don't give a damn who sees or if we get caught
Cause I been waitin soooo so long to break you off
yeah

Girl he don't know you like I know you
(And that's fasho)
Girl he can't chow you what I show you
(And that's fasho)
Why are you here if you don't want it
(Jump on it)
I'll make your dreams come true
Girl it's up to you

Chorus
Cause you got me on one tonight
So baby please don't play wit me
Yea I know you gotta man in your life
No disrespect but that nigga aint me
I'm askin you
What you wanna do
What you wanna do
What you wanna do
What
What
What you wanna do

What you wanna do
What you wanna do
What you wanna do
What
What
What you wanna do
Girl I wanna see
Just how deep your river flows
I gotta couple tricks
Hidden up my sleeve at this magic show
(Sssh)

Cause I wanna put some work in
Nuff wit all this flirtin
One thing is for certain

Girl he don't know you like I know you
(And that's fasho)
Girl he can't show you what I show you
(And that's fasho)
Why are you here if you don't want it
(Jump on it)
I'll make your dreams come true
Girl it's up to you

Chorus
