There's a boy I know  
He the one I dream of  
Looks into my eyes  
Take me to the clouds above

There's a boy I know  
He the one I dream of  
Looks into my eyes  
Take me to the clouds above

Take me to the clouds above  
Take me to the clouds above  
Take me to the clouds above  
Take me to the clouds above  
Take me to the clouds above

Take me to the clouds above  
Take me to the clouds above  
Take me to the clouds above

There's a boy I know  
He the one I dream of  
Looks into my eyes  
Take me to the clouds above

There's a boy I know  
He the one I dream of  
Looks into my eyes  
Take me to the clouds above

Take me to the clouds above  
Take me to the clouds above  
Take me to the clouds above

Take me, take me to the clouds above  
Tell me if it's really love  
Tell me if it's really love  
Tell me if it's really love  
Take me to the clouds above
