"A Whole New World"

I can show you the world
Shining, shimmering, splendid
Tell me, princess, now when did
you last let your heart decide

I can open your eyes
Take you wonder by wonder
Over, sideways, and under
On a magic carpet ride

A whole new world
A new fantastic point of view
No one to tell us no
Or where to go
Or say we're only dreaming

A whole new world
A dazzling place I never knew
But when I'm way up here
It's crystal clear
That now I'm in a whole new world
With you

Unbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond sky

A whole new world
Don't you dare close your eyes
A hundred thousand things to see
Hold your breath, it gets better
I'm like a shooting star, I've come so far
I can't go back to where I used to be

A whole new world
With new horizons to pursue
I'll chase them anywhere
There's time to spare
Let me share this whole new world with you

A whole new world
A new fantastic point of view
No one to tell us no
Or where to go
Or say we're only dreaming

A whole new world
Every turn a surprise
With new horizons to pursue
Every moment red letter
I'll chase them anywhere
There's time to spare
Anywhere, there's time to spare
Oh, let me share this whole new world with you

A whole new world
A whole new world
That's where we'll be
Where we will be
A thrilling chase
A wondrous place
For you and me
