Baby we need to talk
You know, you know our relationship ain't really been
going right
I don't really know how to tell you this but

I'm leaving you for the groove
Baby (baby, baby)
I gotta let you know
There's something inside of me girl, that I can't control
Now I love you baby, and I always will
But that ain't strong enough to change the way that I
feel
No

You gave me attitude
When all I do is for you
Well find another dude
I'm tired of being your fool

So I'm leaving you for the groove
Finally making my move
Now that I'm finally free
I just wanna be me
(2x)
Yeah, yeah, oh

Baby, I'm done playing your game
Every time I'm dancing, you just look at me strange
I was the one that you love, now I'm the one the you
hate (hate, hate)
Well, I don't care girl, go ahead
Take me off your top eight, cause

I'm leaving you for the groove
Making my move
Now that I'm finally free
I just wanna be me
Yeah, Yeah

I'm leaving you for the groove
Making my move

Now that I'm finally free
I just wanna be me Yeah, Yeah, Yeah aw

Dance
Attitude, attitude
[repeated]
I'm leaving you for the groove
