sigh (talking) Baby, we need to talk.
You know our relationship ain't really been going right,
you know?
I don't really know how to tell you this, but
I'm leaving U 4 the groove. (singing)

Baby, baby, I got to let you know.
There's something inside of me girl, that I can't control.
Now I love you baby, and I always will.
But that enough to change the way that i feel.
No. You gave me attitude. (Attitude).
When all I do is for you.
You'll find another dude.
I'm tired of being your fool.

So, I'm leaving U 4 the groove.
Finally making my move.
Now that I'm finally free.
I just wanna be me.
Ya, ya. (x2)
Ya, ya, oh.
Baby, baby, baby, I'm tired oif playing your game.
Everytime I'm dancing, uh, you just look at me strange.
I was the one that you loved, now I'm the one that you
hate.
Well, I don't care girl, go ahead and take me off your
top 8.

Cause I'm leaving U 4 the groove.
Finally making me move.
Now that I'm finally free.
I just wanna be me.
Ya, ya. (x2)
Ya, ya, oh.

Dance.

Attitude (contd. til end of song)

I'm leaving U 4 the groove.
