I know you
I danced with you once upon a dream
I know you
I danced with you once upon a dream
I know you
I danced with you once upon a dream (come on and
dance)
I know you
The gleam in your eyes seems so familiar of me

Once upon a dream in a magical kingdom
A beautiful princess fell in to a long deep sleep
I've been dreaming about you

Only kiss from a handsome prince could awake her
So he could tell her how lovely she is

Wake me up

I know you
I danced with you once upon a dream (come on and
dance)
I know you
The gleam in your eyes seems so familiar of me
Yet I know it's true
That visions are seldom what they seem (come on and
dance)
I know you
I know what you'll do
You'll love me at once
The way you did once upon a dream

Wake up me prince Charming
I've been dreaming about
Wake me up prince Charming
Make my dreams come true

Once upon a dream

I know you
I know you

I know you
I know you
The princes is waiting

I know you
I danced with you once upon a dream
I know you
I danced with you once upon a dream
I know you
I danced with you once upon a dream (come on and
dance)
I know you
The gleam in your eyes seems so familiar of me
Yet I know it's true
That visions are seldom what they seem (come on and
dance)
I know you
I know what you'll do
You'll love me at once
The way you did once upon a dream

I know you
I danced with you once upon a dream (come on and
dance)
I know you
The gleam in your eyes seems so familiar of me
Yet I know it's true...
