[Verse 1 - Kanye West]

Tell me right now
Do you really want to spend your whole life alone
A little time out might do you good
Might do us good, before we be done for good
Cause I can make it good, I can make it hood
I can make you come, I can make you go
I can make you high, I can make it fly
Make it touch the sky, Hey maybe so
All of the time you be up in my checkin' my cellphone,
baby no!
You wanna kill the vibe on another night, here's another
fight
Oh, here we go (oh, here we go x6)

[Chorus - Kanye West]

Why are you so paranoid?
Why are you so paranoid?
Why are, why are you so paranoid?

[Verse 2 - LMFAO]

They said that drum machines ain't got no soul,
They said rap was a fad, but it's surpassed rock and
roll,
Yea, my jeans are tight, and my hoes is white,
And they play my songs, in the club, every night,
We done lit the fuse, we done fuckin' blew,
Blame it on the goose – but don't blame it on the auto
tunes

[Chorus - Kanye West]

Why are you so paranoid?
Why are you so paranoid?
Why are, why are you so paranoid?

[Verse 3 - LMFAO]

Tight pants, party rock shirt,
She on my jock (uh-huh) no need to flirt (nah)
Haters mad, say I look funny (oh)

But how you look funny with a pocket fulla money?
(can't do it)
Stay grillin, I'ma stay chillin
Shots all around when a n*gga in the buildin,
Party rock, album in stores,
Get one for your mama, get one for your ho!

(Paranoid, paranoid - it's the jump off)

[Chorus - Kanye West]
Why are you so paranoid?
Why are you so paranoid?
Why are, why are you so paranoid?
