Party Rock just dont stop,
grab a freak to the beat
and let ya body rock X4

I be, I be, on it, (that ass) I be on it,
I be on it, (that assss), I be on it
I be, I be, on it (that ass) I be on it
I be on it, (that ass) I be on it

1-2-3 to the 4 I'm dancin with as many super freaks as
possible
You cant change the spots on a leopard
in the club, the hommies call me redfoo hefner.

We like them girls that party
Them girls that shake thier body
Them girls that aint afraid to jump on stage and be
some-body
and thats what im talkin about
two girls on the couch mouth to mouth!

chrous
What happens at the party stays at the party
What happens at the club stays at the club
Put yo glasses to the sky damn im so high
And shes so fine, I be on it all night long! X2

I be, on it, (that ass) I be on it,
(Shake that ass) I be on it, (that ass), I be on it
(shake that ass) I be, on it (that ass) I be on it
(shake that ass) I be on it, (that ass) I be on it
(all night long)

SkyBlu
Girls, Girls, Girls and goose!
I gotta girlfriend but whats the use
when ya, some how some way
keep messin with fine ass women like every single day
they wanna play i say okay
make the booty clap, they obey
i freak girls to death
d'girls outta breath??

got me screamin you would think im OJ!

L-M-F-A-O came to make you lose control
bring ya fine ass on the floor and drop it low
girl we a secret society, all we ask is trust
we recruit pretty ladies and the ass is a must!

chorus

What happens at the party stays at the party

REDFOO

See imma have a blast when i'm up in the place
I like titties and ass all up in ma face
haters I cant see em Im just doin my thizzle
life is too short whens she blowin ya whistle
I like them girls thats freaky
them girls that wanna please me
them girls that get buck and run up and speak to me
but if you see me tommorrow and im rollin legit
and i gotta girl on my arm... dont say shiiiiit!

What happens at the party stays at the party
What happens at the club stays at the club
Put yo glasses to the sky damn im so high
And shes so fine, I be on it all night long! X2
