Hold me down

I've been thinking 'bout, ya talkin 'bout ya
Baby, what you do to me
I can't deny it, try to hide it
Really find it hard to sleep

Money can't buy me love
If it could I would spend it all
All that glitters ain't gold
Don't believe everything you're told, no, no, no

'Cause we could dance, dance, dance all night
I wanna see your hands high
And if you feel me let me know

'Cause we could dance, dance, dance all night
I wanna see your hands high
We turn the bank into a crowd

Baby hold me down
Down, down
Hold me down

I've been waitin' for it, dreamin' of it
Now I want it to be real, oh yeah
Ready for ya, steady for ya
Baby, here we go again

Money can't buy me love
If it could I would spend it all
All that glitters ain't gold
Don't believe everything you're told, no, no, no

'Cause we could dance, dance, dance all night
I wanna see your hands high
And if you feel me let me know

'Cause we could dance, dance, dance all night
I wanna see your hands high
We turn the bank into a crowd

Baby hold me down
Hold me down

Everybody at the front say what
Everybody at the side say what
Everybody in the back of the club ride with me, ride
with me

Everybody at the front say what
Everybody at the side say what
Everybody in the back of the club ride with me, ride
with me

Money can't buy me love
If it could I would spend it all
All that glitters ain't gold
Don't believe everything you're told, no, no, no

'Cause we could dance, dance, dance all night
I wanna see your hands high
And if you feel me let me know

'Cause we could dance, dance, dance all night
I wanna see your hands high
We turn the bank into a crowd

Baby hold me down, down, down, down
Baby hold me down, down, down, down
Baby hold me down, down, down, down
Baby hold me down
