I know you  
I danced with you once upon a dream  
I know you  
I danced with you once upon a dream  
I know you  
I danced with you once upon a dream (come on and  
dance)  
I know you  
The gleam in your eyes seems so familiar of me

Once upon a dream in a magical kingdom  
A beautiful princess fell in to a long deep sleep  
Iâ€™ve been dreaming about you

Only kiss from a handsome prince could awake her  
So he could tell her how lovely she is

Wake me up

I know you  
I danced with you once upon a dream (come on and  
dance)  
I know you  
The gleam in your eyes seems so familiar of me  
Yet I know it's true  
That visions are seldom what they seem (come on and  
dance)  
I know you  
I know what you'll do  
You'll love me at once  
The way you did once upon a dream

Wake up me prince Charming  
Iâ€™ve been dreaming about  
Wake me up prince Charming  
Make my dreams come true

Once upon a dream

I know you  
I know you  
I know you

I know you  
The prince is waiting

I know you  
I danced with you once upon a dream  
I know you  
I danced with you once upon a dream  
I know you  
I danced with you once upon a dream (come on and  
dance)  
I know you  
The gleam in your eyes seems so familiar of me  
Yet I know it's true  
That visions are seldom what they seem (come on and  
dance)  
I know you  
I know what you'll do  
You'll love me at once  
The way you did once upon a dream

I know you  
I danced with you once upon a dream (come on and  
dance)  
I know you  
The gleam in your eyes seems so familiar of me  
Yet I know it's true...
