I know of a place  
With a pretty face  
Where the river's flowing through my mind  
On a mountain high  
I can touch the sky  
When I'm thinking of you  
I just can't believe that you are mine  
I just wanna hold you for all time  
Every time I look into your eyes  
Baby, I'm in paradise-wooh

[Chorus]

Everybody knows you are my  
Special little something, yes you are  
Your my Shangri La  
Everybody knows that you're the  
Only one I'm wanting, yes you are  
Your my Shangri La

I've been all around  
Finally I've found  
On a field of dreams an angel  
By the ocean blue  
With a perfect view  
When I'm looking at you

I just can't believe that you are mine  
I just wanna hold you for all time  
Every time I look into your eyes  
Baby, I'm in paradise-wooh

[Chorus]

Everybody knows you are my  
Special little something, yes you are  
Your my Shangri La  
Everybody knows that you're the  
Only one I'm wanting, yes you are  
Your my Shangri La
