"Think what you wanna, I keep one in the chamber" -->  
SCC's Servin' Em Heat

[BRONCOE]

Break it down or switch your blow, that's how we run  
this shit

Light it up, take a hit - and give it up your click

You know for sure I'm smokin' doja

My folks I thought I told ya

Twist my sack and give me over throw the Tec and ride  
with locsters

HAT GANG and ?? TOWN hoo-ridin' in HOLMES STREET  
FRANKLIN SQUARE, FUSHED TOWN, NEW HOLMES and  
FRONT STREET

AVENUE, BLUE GATE, BEACH TOWN, '7TH STREET  
10-LINE, 11-DUECE, BABY LOCS and GRAPE STREET  
99 MAFIA, P.J. WATTS

You get your props if you can ride, if you're a Slob you  
get mobbed

It's alright ??? cause it like props on my block

I run with locs that ain't broke which y'all get smoked  
and ?throw lot?

I got 16 shots with extraclips in my side

If you're a trick you get the ducksicc cause I'm cool in  
your cock

Shake the spot, fade your black, you back you trip and  
I'm sayin'

You claim my style 'cause you too wild this ain't the  
time to parlay

[BRONCOE]

I'm servin' sess in the daytime, chronic at night

I'm dumpin' rounds around the car for all you folks on  
the block

I gotta sess in the daytime, chronic at night

All my job servin' Slobs and blast that ass all night

[BRONCOE]

You can find me on the East/Side, rip ridin' with the  
locsters

Swervin' five deep with the heat hittin' corners

Dippin' on dubs and Golds on Thunderbirds and doja  
My colors flag my rag and sack my khakis like a soldier  
Stay suckers free, you only see me with my - G's  
I'm chokin' off the smoke with loc Big Freeze  
What's up young Cuzz? Where you from? The Town  
Where's at? On the East/Side, 10-5 by the Jordan Downs  
Twist to my camp, come to my hood and  
I guarantee that the loc'll gun you down when you  
stand  
Off brand, other side better realize  
Ain't no surprise out of the East Side Rip Ridaz causin'  
homicide  
This is how we do it, check me out you don't hear me  
It's do or die from day one, Compton and Watts can  
you feel?  
My dick hard ??? down in the sperm  
You grab your baby ?? and blast them bustas up outta  
there

[BRONCOE]

Servin' sess in the daytime, chronic at night  
You dump rocks around the car for all the folks on the  
block  
Sex in the daytime, chronic at night  
All my job servin' Slobs and blast that ass on sight

[BRONCOE]

Always ready for the rumble, never stutter, never  
stumble  
Wet him up, shut him up and watch his whole cookie  
crumble cuz  
You loc ?? on the West Coast  
?? low the YGB case in the raincoat  
Fifty on your back ?? but flow is tragic  
But who do the doo-doo with that all black magic  
Grab the paper tell my loc  
Murder folks with the do'  
Double back up on my khakis, ready to strap you like  
I'm suppose to  
The locster  
I told ya, straight up out the Watts  
From twenty-one-hundred, East Hun' and '7 Street  
block  
Real niggas gimme that cause I freak a fuckin' track  
I meet my brother from the Town it's goin' down and I  
stay strapped  
And just all you know, that you fuckin' with the loc  
Twist down 10-5 and that's for Young Broncoe

[BRONCOE]

I got sess in the daytime, chronic at night

Dumpin' rocks around the car for all the folks on the  
block  
Sex in the daytime, chronic at night  
All my job servin' Slobs and blast that ass on sight  
I got sess in the daytime, chronic at night  
See I'm Fudgin' by the dozen F for death Crip for life  
Sex in the daytime, chronic at night  
All my job servin' Slobs and blast that ass on sight  
I got sess in the daytime, chronic at night  
I dumps rocks around the car for all the folks on the  
block  
Sex in the daytime, chronic at night  
All my job servin' Slobs and blast that ass on sight  
I got sess in the daytime, chronic at night  
See I'm Fudgin' by the dozen and F for death Crip for  
life  
Sex in the daytime, chronic at night  
All my job servin' Slobs and blast that ass on sight
