Killing in the name of
Some of those that work forces,
are the saints that burn crosses

Now ya do what they told ya

Don't you die or justify
You're wearin the badge, and your chosen white
You justify those that died
By wearin the badge and your chosen white

Some of those that work forces,
are the saints that burn crosses

Killing in the name of...

Now ya do what they told ya

Your under control
Now ya do what they told ya

Those who die, are justified,
for wearing a badge and their clothes in white
You justify those that died
By wearin the badge and your chosen white

Come on...
Fuck you, I won't do what ya tell me...

Mutha fucker
