Blow my mind up
For a hundred choose your lovers
The high times go down
When you're waitin' for another

Cuss your mind back
Rememberin' the city
When you touch them with a sound
Motherfuckers felt so pretty

Full bounce, full bounce
Full bounce in the fuckin' club
And if you wanna know why
Wanna know why, wanna know why
Because I'm on the fuckin' drumbeat

Can't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop
Until you breakdown

Can't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop, hear the beat
Because freaks are on the make now

So she stands there
Of a warped reality
She's the best of the last
The yacht mentality

Must be worth it
Just to hear them scream
With their backs into the wind
Riding on a gulf stream

Full bounce, full bounce
Full bounce in the fuckin' club
And if you wanna know why
Wanna know why, wanna know why
Because I'm on the fuckin' drumbeat

Can't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop
Until you breakdown

Can't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop, hear the beat
Because freaks are on the make now

Can't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop
Until you breakdown

Can't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop, hear the beat
Because freaks are on the make now

I just can't stop this
I just can't stop this

Full bounce, full bounce
Full bounce in the fuckin' club
And if you wanna know why
Wanna know why, wanna know why
Because I'm on the fuckin' drumbeat

I just can't stop this
I just can't stop this
I just can't stop this
I just can't stop this

Can't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop
Until you breakdown

Can't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop, hear the beat
Because freaks are on the make now

Can't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop
Until you breakdown

Can't stop, won't stop, hear the beat
Because I get up and when I get up

I can't stop, won't stop, hear the beat
Because freaks are on the make now
