Bombers rip across the screen  
Layin' waste to city's dreams

And what's it all gonna mean  
When audio psychosis builds from the speakers cones  
And you can hear the music tear  
Tearin' through your bones?

'Cause I'm just a crazy, mixed up kid  
Out comes the truth when you take off the lid

And what's it all gonna mean  
When audio psychosis builds from the speakers cones  
And I can hear the music tear  
Tearin' through my bones?

Keep on keepin' on y'all  
Come home, come on back to me  
Come home, come on back to me  
Come home, come on back to me

(Yeah, I can hear the music tear)  
Come home  
(Tearin' through my bones)  
Come on back to me

Come home, come on back to me  
Come home, come on back to me  
Come home, come on back to me  
Come home, come on back to me

(Peace Brother, peace)  
Come home, come on back to me

(Peace Brother, peace)  
Come home, come on back to me

(Peace Brother, peace)  
Come home, come on back to me

I had no idea it was going to end in such tragedy
