I run away

But never have to go far

'cause I know a place where I'll be (living in my head)

Far away from everything

You'll never reach me

Never see me

Sinking any lower

You'll never reach me

Never see me

And that's what makes me happy

Up here again

I always win

'cause I know a way

'cause I know a place (living in my head)

Far away from everything

You'll never reach me

Never see me

Sinking any lower

You'll never reach me

Never see me

And that's what makes me happy

All around me

I've heard empty faces

Speaking empty words
You'll never reach me

Never see me

Sinking any lower

You'll never reach me

Never see me

And that's what makes me happy
