Educate me
And tell me what to wear
It's what I need
For me to feel
Almost like a man
I can't afford to
Chorus
To just say no
Just say no to fashion
Now I know
To just say no
Just say no to fashion
Entertainment
With style and with ease
Is what I need
To redefine
My priorities
I Can't afford to
Chorus
To just say know
Just say know to fashion
Now I know
To just say know
Just say know to Fashion
Middle 8
Rpt Chorus
