I'm so over you
I don't think you have a clue why I'm leaving

Tell someone who cares so you read a lot of
Shakespeare
Over and over, get over it
I say au contraire, I don't think that I can stay here
Yeah, we've been over and over it

I don't wanna waste no more time
Going Gucci and diamonds after nickels and dimes

I'm so over you
I don't think you have a clue why I'm leaving
How easy comes goodbye
I'm so sick of it
I'm already over it, we ain't breathing
Our love has flatlined

You always loved yourself
More than you loved me
'Cept when I made you scream
For some more of it

You wear that so damn well
Like a heart on a sleeve
'Cept it's your vanity
And I'm bored of it

I don't wanna waste no more time
Going Gucci and diamonds after nickels and dimes

I'm so over you
I don't think you have a clue why I'm leaving
How easy comes goodbye
I'm so sick of it
I'm already over it, we ain't breathing
Our love has flatlined

I'm so sick of it, I'm really over it
I'm so sick of you now
Our love has flatlined

I'm so sick of it, I'm really over it
I'm so sick of you now

I'm so over you
I don't think you have a clue why I'm leaving
How easy comes goodbye
I'm so sick of it
I'm already over it, we ain't breathing
Our love has flatlined

I'm so over you
I don't think you have a clue why I'm leaving
How easy comes goodbye
I'm so sick of it
I'm already over it, we ain't breathing
It's over, flatlined, our love has flatlined
