You've been around for a long
long time;
I've seen you here before.
You'll meet some guy who really turns
And sneak out of the side door.
You'll never look my way I know
I ain' much to look at

But one of these nights you're goin' home with me

I'm gonna see to that.

Well
I'm just waitin' out my time
Standing at the end of the line

I got a lot of lovin' I'm savin' inside for you.
Yeah
I'm just waitin' out my time

Standing at the end of the line

But you're gonna know that you've been loved

When I get through lovin' you.

You looked right at me and smiled

One time just last week

And what one look from you did to me

It kept me in my seat.
But you picked another guy to entertain you that night

And I was left to entertain myself

So I got into a fight.

While
I was just waitin' out my time . . .
