Why does the sun go no shining?  
Why does the sea rush to shore?  
Don't they know it's the end of the world  
Cause you don't love me anymore

Why do the birds go no singing?  
Why do the stars glow above?  
Don't they know it's the end of the world  
It ended when I lost your love

I wake up in the morning  
And I wonder  
Why everything's the same as it was?  
I can't understand  
No I can't understand

How life goes on the way it does?

Why does my heart go on beating?  
Why do these eyes on mine cry?  
Don't then know it's the end of the world  
It ended when you said good-bye

( GUITAR SOLO )

Don't then know it's the end of the world  
It ended when you said good-bye
