Writing what you say and saying it all back to you  
Mayonnaise and Malaise to go  
The catcher in the rye caught a catch 22  
Keep it at a pace - My life is like a crawl to me  
Catatonic face - I'm marking time randomly  
Mayonnaise and Malaise to go

Dull and null and void and all my best instincts stink  
They pay me by the hour and I don't even have to think  
Charismatic bore and I don't wanna work no more  
I'm gonna kill the next customer who walks in the door  
Mayonnaise and Malaise to go

It's really something to be twenty-nothing  
I feel my place is so secure  
A culture spot that I have got  
So glad to be unsure  
We've passed our prime in record time  
I never thought we'd fall so low  
We've come this far to sell your cars  
I want all my unease to go

It's really something, to be twenty-nothing  
I feel my place is so secure  
A culture spot that I have got  
So glad to be unsure  
I've come to resent what I represent  
I'd like to smack that smile off your face  
But for my angst I must say thanks  
So good to be put in my place
