One Two (x2)

One, two, three, four

When the rock & roll professionals
Roll into town you know they're well paid

You got it

They'll meet you and they'll greet you and then after
the show someone will get laid

You got it

Press the flesh and maybe they will make nice

You got it

Press the flesh, but only for the right price

Rock & roll professionals
Rockin' for dollars, baby
Rock & roll professionals
Rockin' for real estate
Rock & roll professionals
Rockin' for lawyers, baby
Rock & roll professionals

Am I doin' great?
Yeah! (You got it) (x3)

The rebellion that they're sellin' would do better sellin'
on MTV

You got it

Gone from flippin' burgers to just rockin' and rollin' for
the Burger King
Check the charts and see how you are doin'

You got it

Check the charts and see who you are foolin'

Rock & roll professionals
Rockin' for dollars, baby
Rock & roll professionals
Rockin' for real estate
Rock & roll professionals
Rockin' for lawyers, baby
Rock & roll professionals

Am I doin' great?
Yeah! (You got it) (x3)
Yeah, you know (You got it)

And who the fuck you foolin'?
No song is too sacred and that's what makes em so
professional

You got it

It's all about the Benjamins so come on, let's hear it for
the rock & roll

You got it

For the rock & roll (x4)

One, two, three, four (For the rock & roll)

You got it

For the rock & roll (You got it)
For the rock & roll (You got it)
For the rock & roll (Yeah, yeah)
For the rock & roll (x4)
You got it
