(X2)

It's terrible love that I'm walking with spiders
It's terrible love that I'm walking in
It's terrible love that I'm walking with spiders
It's terrible love that I'm walking in
It's quiet company (x2 | x3)

And I can't fall asleep
Without a little help
It takes awhile to settle down
My ship of bones
Wait till the past leaks out

It takes an ocean not to break (x4)
It's company
It's quiet company (x2)

Yay

And I won't follow you
Into the rabbit hole
I said I would but then I saw
Your ship of bones
They didn't want me to

(X2)

It's terrible love that I'm walking with spiders
It's terrible love that I'm walking in

It takes an ocean not to break (x3)
It takes an ocean not to
Not to
Not to break

Oh (x2)

No

Not to break (x2)
Break
Not to

Not to break (x4)
