Baby can't you see
I'm calling
A girl like you should wear a warning
It's dangerous, I'm falling

There's no escape, I can't wait
I need a hit, baby gimme it
Your dangerous, I'm loving it

Get you high and can't calm down
Losing my head, spinning ?round and ?round
Do you feel me now?

With a taste of your lips
I'm on a ride
You're toxic, I'm slipping under
With the taste of a poison paradise
I'm addicted to you
But you know that you're toxic
And I love what you do
But you know that you're toxic

It's getting late to give you up
I took a sip from the devil's cup
Slowly it's taking over me

Get you high and can't calm down
Losing my head, spinning ?round and ?round
Do you feel me now?

With a taste of your lips
I'm on a ride
You're toxic, I'm slipping under
With the taste of a poison paradise
I'm addicted to you
But you know that you're toxic
And I love what you do
But you know that you're toxic

You know that you're toxic

With a taste of your lips
I'm on a ride
You're toxic, I'm slipping under
With the taste of a poison paradise
I'm addicted to you
But you know that you're toxic
With a taste of your lips
I'm on a ride
You're toxic, I'm slipping under
With the taste of a poison paradise
And I love what you do
But you know that you're toxic

Intoxicate me now
With your loving now
I think I'm ready now
I think I'm ready now
Intoxicate me now
With your loving now
I think I'm ready now
I think I'm ready now
