I hope that days come easy and moments pass slow,  
And each road leads you where you want to go,  
And if you're faced with a choice, and you have to  
choose,  
I hope you choose the one that means the most to you.  
And if one door opens to another door closed,  
I hope you keep on walkin' till you find the window,  
If it's cold outside, show the world the warmth of your  
smile,

More then anything, more then anything,  
My wish, for you, is that this life becomes all that you  
want it,  
To your dreams stay big, and your worries stay small,  
You never need to carry more then you can hold,  
And while you're out there getting where you're getting  
to,  
I hope you know somebody loves you, and wants the  
same things too,  
Yeah, this, is my wish.

I hope you never look back, but ya never forget,  
All the ones who love you, in the place you left,  
I hope you always forgive, and you never regret,  
And you help somebody every chance you get,  
Oh, you find God's grace, in every mistake,  
And you always give more then you take.

Oh More then anything, Yeah, and more then anything,  
My wish, for you, is that this life becomes all that you  
want it,  
To your dreams stay big, and your worries stay small,  
You never need to carry more then you can hold,  
And while you're out there getting where you're getting  
to,  
I hope you know somebody loves you, and wants the  
same things too,  
Yeah, this, is my wish.
