Oo, oo, oo. Oo, oo, oo.

Time doesn't mean much to you or me.

As I, I live in misery,

Wanting you, beside me.

Oo, oo, oo. Oo, oo, oo.

Life doesn't mean much to you or me.

As I, I cry so needlessly.

Wanting you, beside me.

CHORUS:

I remember that SEPTEMBER DAY.

You told me not to call or write again.

I remember your words so clearly,

Still I love you dearly

Oo, oo, oo. Oo, oo, oo.

Love doesn't mean much to you or me.

Love was in my hopes and dreams

And in a warm summer breeze.

CHORUS: (Repeat)

Oo, oo, oo. Oo, oo, oo. (Repeat and fade).
