I'm Framed in love again  
Peekin at the end  
Baby wants to tame me  
So afraid to live her life alone  
She'd make a happy home  
But only if she tames me

Hey  
I'm driving her away  
Black and white to gray  
Back and forth i'll sway  
Hey  
I'm driving her away  
Black and white to gray  
Nothing good can stay  
Back and forth i sway

Baby wants to tame me  
Blame

I guess I'll never be what she sees in me  
She's seen it all along  
She knows somethings wrong  
But she don't wanna blame me  
She'd make a happy home  
So afraid to live her life alone  
Baby wants to tame me  
Hey

Driving her away  
Black and white to gray  
Back and forth i'll sway  
Hey  
I'm driving her away  
Black and white to gray  
Nothing good can stay  
Back and forth i sway

I'm driving her away away away  
Nothing good can stay  
Hey  
Black and white to gray

Yea  
Back and forth i sway  
I guess i'll never be what you'll see in me  
Baby wants to tame me
