You pin me down, you box my ears  
I'll get you back, motherfuck, I'm no baby, I'm no baby  
I've made a meal, the first course is crow  
Choke it down 'cause you suck, I'm no baby, I'm no  
baby

You never said smart was your strong trait  
Smart never seemed to be a trait at all  
And I never wanted to see you go down  
But I must admit that I'd like to see you

Fall right back into your tar trap  
And bend your back until it fucking snaps  
And I never wanted to hurt you that bad  
But I must admit that I'd like to see you fall

You pin me down, you box my ears  
I'll get you back, motherfuck, I'm no baby, I'm no baby  
I've made a meal, the first course is crow  
Choke it down 'cause you suck, I'm no baby, I'm no  
baby

You never said smart was your strong trait  
Smart never seemed to be a trait at all  
And I never wanted to see you go down  
But I must admit that I'd like to see you

Fall right back into your tar trap  
And bend your back until it fucking snaps  
And I never wanted to hurt you that bad  
But I must admit that I'd like to see you fall

La la la la  
La la la la  
La la la la  
La la, yeah

You pin me down, you box my ears  
I'll get you back, motherfuck  
You pin me down, you box my ears  
I'll get you back, motherfuck  
You pin me down, you box my ears

I'll get you back, motherfuck  
You pin me down, you box my ears  
I'll get you back, motherfuck
