Hey

Another scene is dead

You can fall in line

With the cooler heads

I said hey

Let's put this one to bed

You can do with a change and a lay

And the cooler heads

You are so in, you are so out

You will know when, you were shown how

You are so in with the out crowd

And the cooler heads

I'm thinking of your skin, motor of your mouth

Turn in all your friends, turn your mother out

You are so in with the out crowd

And the cooler heads, yeah

Hey

Well, look who's back in town

We won't say that you failed

The cooler heads prevail

You can fall in, with the fall outs

Go ahead and grin, there ain't much to laugh about

You can blend in with a crowd of clowns

And the cooler heads, yeah

You are so in, you are so out

You will know when, you were shown how

You are so in with the out crowd

And the cooler heads

Thinking of your skin, motor of your mouth

Turn in all your friends, turn your mother out

You are so in with the out crowd

And the cooler heads, yeah

The heads, the heads

The dirty fucking heads, ah

You are so in, you are so out
You will know when, you were shown how
You are so in with the out crowd
And the cooler heads

You are so in with the out crowd
And the cooler heads
You are so in with the out crowd
And the cooler heads

With the cooler heads
With the cooler heads
With the cooler heads
With the cooler heads

The heads
The dirty fucking heads, ah
