Born to be down Learned all my lessons before now Born to be down I figure you're used to it

[CHORUS] And you just don't get it You keep it copasetic And you learn to accept it And you know you're so pathetic And you just don't get it You keep it copasetic And you learn to accept it And you know you're so pathetic

And you don't And you don't And you don't And you don't

Born to be down I think that I've said this before now Born to be down What good is confidence

Chorus

And you don't And you don't And you don't And you don't

Chorus (x2)

And you don't And you don't

Chorus (x2)

And you don't
