Things are good, nothing much for me to say  
I'm feeling happier, everyday  
Things are good, I've got a simple mind  
It seems like everything is going fine  
Fine and good  
Oh everything is fine and good  
Everything is running smooth this week  
I don't even really feel the need to speak  
Things are good, didn't mean to make you mad  
People seem to lack when things are bad  
Things are good  
Oh everything is fine and good  
It's not too much to ask to feel this way  
I don't think I'm asking to much  
It's not too much to ask to feel this way  
I really can't stress it enough  
Well there you are everything is fine and good  
Well there you are everything is fine and good  
It's fine and good  
Oh everything is fine and good  
It's not too much to ask to feel this way  
I don't think I'm asking to much  
It's not too much to ask to feel this way  
Do you think I'm asking too much  
It's not too much to ask to feel this way  
I don't think I'm asking too much

Don't confuse the issue  
Pay attention when you  
I really can't stress it enough  
Well there you are everything is fine and good  
Well there you are everything is fine and good  
Well there you are everything is fine and good  
Well there you are everything is fine and good  
It's fine and good  
It's fine and good  
She's my girl  
She hates my job  
She'd trade it all in for a time that is robbed  
She's okay  
She don't complain  
But she hates my job all the same

She hates my job  
She won't say  
I don't think I'd want to ask her anyway  
I know somethings gotta give  
She hate's my job,  
But she'll live  
She hates my job  
She hates my job  
She hates my job  
It's all all right she just hates my job  
She'll admitt it's not half bad  
I love my job  
And so does her, mom and dad  
She hates my job  
She hates my job  
She hates my job  
She hates my job  
Almost more than anything  
She hates my job
