Say what you want to say to me
I don't know who you know
But that'll change eventually

I wanna know who you know
Wanna see what you say and have a field day today
Don't need a reason
Wanna go where you go
Wanna see what you say and have a field day today
I wanna go
I'm all alone
Once you've been for a skid
I'm all alone
Doing everything you did
No one cares and no one calls
But the party in the bathroom stall
Everyone is telling jokes that I don't get at all
I'm all alone

Hey, whatcha wanna pay for me?
I'm in love with rock'n'roll
But that'll change eventually

I wanna know who you know
Wanna see what you say and have a field day today
Don't need a reason
Wanna go where you go
Wanna see what you say and have a field day today
I wanna go
I'm all alone
Once you've been for a skid
I'm all alone
Doing everything you did
No one cares and no one calls
But the party in the bathroom stall
No one's gonna call a number written on the wall
I'm all alone

No one cares and no one calls
But the party in the bathroom stall
No one's gonna call a number written on the wall

I'm all alone
