Say what you want to say to me  
I don't know who you know  
But that'll change eventually

I wanna know who you know  
Wanna see what you say and have a field day today  
Don't need a reason  
Wanna go where you go  
Wanna see what you say and have a field day today  
I wanna go  
I'm all alone  
Once you've been for a skid  
I'm all alone  
Doing everything you did  
No one cares and no one calls  
But the party in the bathroom stall  
Everyone is telling jokes that I don't get at all  
I'm all alone

Hey, whatcha wanna pay for me?  
I'm in love with rock'n'roll  
But that'll change eventually

I wanna know who you know  
Wanna see what you say and have a field day today  
Don't need a reason  
Wanna go where you go  
Wanna see what you say and have a field day today  
I wanna go  
I'm all alone  
Once you've been for a skid  
I'm all alone  
Doing everything you did  
No one cares and no one calls  
But the party in the bathroom stall  
No one's gonna call a number written on the wall  
I'm all alone

No one cares and no one calls  
But the party in the bathroom stall  
No one's gonna call a number written on the wall

I'm all alone
