Keep your girlfriend away from me  
Just advice I'm givin' you for free  
Wanna have everything I see  
So keep your girlfriend

Keep your girlfriend  
Keep your girlfriend away from me  
Got no sense of comradery  
I've got a couple hits of ecstasy

So keep your girlfriend away from me  
I will  
Here we go, yeah I know how to get it  
I will

Got no code and I wanna push the limits  
I will  
Get so low and I wanna wallow in it  
I will

So keep your girlfriend  
Keep your girlfriend  
Keep your girlfriend away from me  
Keep your girlfriend away from me

Don't talk to me about honesty  
Don't talk to me about loyalty  
Don't talk to me about a goddamn thing  
Just keep your girlfriend away from me  
I will

Here we go, yeah I know how to get it  
I will  
Got no code and I wanna push the limits  
I will

Get so low and I wanna wallow in it  
I will  
So keep your girlfriend  
Keep your girlfriend  
I will

Now you know, I've exposed my intention  
I will  
Got no soul, and I love my infection  
I will

Wanna know how it feels when she gives in  
I will, I will, I will, I will

Keep your girlfriend away from me  
Keep your girlfriend away from me  
Yeah, we're comin' to the time when we reach the bitter  
end  
Everything is ripped and broken

Everything is cracked and bent  
You won't ever know my mind  
You won't ever comprehend  
This is nothing to do with your girlfriend  
I will, I will, I will, I will

I will, I will, I will, I will  
I will, I will, I will, I will  
I will, I will, I will, I will

Keep your girlfriend away from me  
Keep your girlfriend away from me  
Keep your girlfriend away from me

Keep your girlfriend  
Keep your girlfriend  
Keep your girlfriend  
Keep your girlfriend  
Keep your girlfriend  
I will, I will, I will, I will

Keep your girlfriend away from me
