Don't you hate it when people are in love? - they're so -
They're so happy - so goddamned happy happy
Don't you hate it when people are in love? - they're so -
They're so happy - so fucking happy happy
I wanna cut you down
because it's not fair
that you're so crystal clear
and glassy-eyed in love
Dave and Heather - you see them fighting all the time
I kind of like that - I kind of need that
because I just hate it when people are in love - they're
so
They're so happy - so goddamned happy
I wanna cut you down
because it's not fair
that you're so crystal clear
and glassy and you're
that you're so crystal clear
and glassy and you're
that you're so crystal clear
and glassy-eyed in love
Don't you hate it?
Don't you hate it?
Don't you hate it?
Don't you hate it?
