You know this year was a blur
I think I know you but I'm not sure
If I don't know I don't care
I only took you home on a dare

It's only livin' now, it's all I'm givin'
We're only livin' now, the quarter to seven hits me with
the bright light
We're only livin' now, it's all I'm givin'

You know this year was the worst
I only thought it was fun at first
And I don't care if I'm wrong
You know this bender's been all year long

It's only livin' now, it's all I'm givin'
We're only livin' now, the quarter to seven hits me with
the bright light
We're only livin' now, it's all I'm givin'
It's only livin' now, it's all I'm givin' yeah

Things are starting to blur, I almost called her your
name
Things are starting to blur, I almost made a mistake
Things are starting to blur, I ought to shut myself up
Things are starting to blur, I almost fucked myself up

Hey, it's only livin' now, it's all we're given
We're only livin' now, it's all we're given
We're only livin' now, it's all we're given
It's only livin' now, the quarter to seven hits me with the
bright light

We're only livin' now...
