Born to be down
I've learned all my leasons before now
Born to be down
I think you'll get use to it

And you just don't get it
Keep it copacetic
And you learn to accept it
you know you're so pathetic
And you just don't get it
keep it copacetic
and you learn to accept it
you know you're so pathetic

And you don't
And you don't
And you don't
And you don't

Born to be down
I think that I said this before now
Born to be down
What good is confidence

And you just don't get it
Keep it copacetic
And you learn to accept it
You know you're so pathetic
And you just don't get it
Keep it copacetic
And you learn to accept it
You know you're so pathetic

And you don't
And you don't
And you don't
And you don't

And you just don't get it
Keep it copacetic
And you learn to accept it
You know you're so pathetic(x4)

And you don't(x9)

And you just don't get it
Keep it copacetic
And you learn to accept it
You know you're so pathetic(x4)

And you don't
