Oh, no, no-everything must go  
Lost our lease to the liquor store  
We'll be back to fight another day  
Yeah, uh-huh-that's what they all say

Going out of style in a paper bag  
Sniffing chloroform out of burning flags  
Going down in flames and it feels okay  
Yeah, uh-huh-that's what they all say

Yeah, yeah, yeah it's a pleasure to burn  
I keep fucking up and I never learn  
It's alright, it's okay-we're gonna beat 'em anyway  
Yeah, uh-huh-that's what they all say  
Yeah, uh-huh-that's what they all say

Take it easy  
Take it easy  
You won't like me when I'm angry  
Mashed potatoes  
Nice and easy  
It didn't have to be this way but  
That's what they all say

The devil's in the details  
The devil's in the details  
Sucking on the third  
I said the devil's in the details  
It's alright, it's okay-we're gonna beat 'em anyway  
Yeah, uh-huh-that's what they all say  
Yeah, uh-huh-that's what they all say

I want to go down in flames  
I want the guilty to hang  
The Empire falls

It's a pleasure to burn  
A pleasure to burn  
The conquering worm

Yeah, uh-huh  
That's what they all say...
